

# 1. Summary

The Indonesian Government just released a new (temporary) regulation PMK 34/PMK.04/2020 about Tax Exemption for a list of items that may be useful in the battle against Covid-19. A simplified version of the list of items can be found below.

This regulation is applicable until the BNPB deems the pandemic to have passed.

# 2. Terms and Conditions

1. The NPWP number must be submitted with a shipment order if there are any items in the order that fall within the list of items that can be exempted from tax.
2. Of the list below, 26 items do not need approval and can be shipped normally if purchased in the specified quantity and if the total value of the order is  $\leq 7.5$  million IDR.
3. Other items that fall outside the specified 26 items and/or have a combined value that exceeds 7.5 million IDR would have to go through an approval process. Please contact our team at Janio to be advised on this process.

### 3. List of items

No	Product	Conditions	Need Medical License	Maximum Quantity
<b>HAND SANITIZER AND PRODUCT CONTAINING DISINFECTANT</b>				
1	Hand Sanitizer	Contains antiseptic as a drug, with certain dosages	Does not need approval	5 Liter / 5 KG
2		Contains disinfectants containing a mixture of Coal and alkali acids	Does not need approval	5 Liter / 5 KG
3		Contains disinfectant in Aerosol Packaging	Does not need approval	5 Liter / 5 KG
4		Contains other disinfectants	Does not need approval	5 Liter / 5 KG
5	Disinfectant substances	Things or ingredients to make disinfectant products	Does not need approval	5 Liter / 5 KG
6	Product that contain disinfectants (Ready-Made)	Soap that contain disinfectant	Does not need approval	5 Liter / 5 KG
7		Other soap	Does not need approval	5 Liter / 5 KG
8		Skincare, Liquid or cream cleanser that is prepared for retail	Does not need approval	5 Liter / 5 KG
<b>TEST KIT AND LABORATORY REAGENT</b>				

9	Rapid Test	Products prepared in dosage/form/packaging for test of Covid-19	Does not need approval	50 pcs
10		Plates, sheets, film, foil & strip infused/ coated reagent diagnose for qualitative testing Covid-19	Does not need approval	50 pcs
11		Paperboard, Gopalan cellulose blob, tissue of cellulosic fiber infused/coated reagent diagnostic for qualitative test Covid-19	Does not need approval	50 pcs
12	PCR Test	Reagent for analysis of PCR for qualitative testing Covid-19	Does not need approval	50 pcs
13		Laboratory Instruments for analysis PCR	Does not need approval	50 pcs
<b>VIRUS TRANSFER MEDIA</b>				
14	Virus Transfer Media	Processed culture Media for the development of microorganisms to swab test	Does not need approval	500 pcs
15		Other processed culture Media for swab test	Does not need approval	500 pcs
<b>DRUGS &amp; VITAMINS</b>				

16	Drugs & Vitamins	Paracetamol	Need approval	
17		Oseltamivir	Need approval	
18		Hydro chloroquine	Need approval	
19		Favipiravir	Need approval	
20		Azithromycin	Need approval	
21		Levofloxacin Compounds	Need approval	
22		The drug consists of two or more constituents that have been mixed together for therapeutic or precocial purposes, containing antibiotics of azithromycin or levofloxacin, not prepared in certain dosages or not in the form of packaging for retail Sales	Need approval	
23		The drug contains hydro chloroquine combined with other pharmaceutical active Ingredients, not prepared in certain dosages or not in the form of packaging for retail Sales	Need approval	

24		The drug consists of a mixture of products or not for therapeutic or profiled purposes, containing antibiotics of azithromycin or levofloxacin, prepared in a certain dose or in the form or packaging for retail sales, of type for Oral use	Need approval	
25		The drug consists of a mixture of products or which is not for therapeutic or profiled purposes, containing antibiotics of azithromycin or levofloxacin, prepared in a certain dose or in a form or packaging for retail sales for the use of injectable	Need approval	
26		Vitamin C, Vitamin B and Vitamin A	Does not need approval	Less than \$500 USD
27		Multivitamin	Does not need approval	Less than \$500 USD
28		Anti-malaria drugs contain Hydrochloroquin	Need approval	

**MEDICAL EQUIPMENT**

29	Thermometer	Digital thermometer, thermometer Infrared Thermometer	Need approval	
30	Ventilator	Instruments to help respiratory patients	Need approval	
31	Swab	Tissue/cotton containing alcohol for antiseptic, in the packaging of retail sales (alcohol swab)	Does not need approval	100 pc
32	Thermal Imaging/Scanning Equipment	Thermal Imaging	Need approval	
33	In Vitro diagnostic equipment, including PCR test Tools	In vitro laboratory test equipment, electrically operated	Need approval	
34		Laboratory test Equipment in vitro, not electrically operated	Need approval	
35	Syringes	Medical Syringe	Need approval	
36	Syringe dan infusion pump	Tools to help in corporate fluid into the patient's body in a controlled manner.	Need approval	
37	High Flow Oxygen	Oxygen Therapy tools that provide high flow oxygen to help respiratory patients	Need approval	

38	<b>Bronchoscopy portable</b>	<b>Portable tool for bronchoscopy examination that can display visually (through the monitor) condition of the inside of the respiratory Tract Organs</b>	<b>Need approval</b>	
39	<b>Power air purifying respirator</b>	<b>The full-face mask tool which is equipped with a battery powered blower and air filter to protect the breathing from the inclusion of contaminants or pollutants in the air and also serves to provide oxygen for the user to breathe</b>	<b>Need approval</b>	
40	<b>CPAP-Mask</b>	<b>Masks/masks that provide continuous airway Pressure (CPAP) via engine</b>	<b>Need approval</b>	
41	<b>CPAP Machine Pediatric</b>	<b>Respiratory therapy tools that dispense air with Certain pressure to the user which is worn over the nose and/or mouth which is specifically designed for respiratory therapy</b>	<b>Need approval</b>	
42	<b>ECMO (Extracorporeal Membrane Oxygenation)</b>	<b>Tools to help supply oxygen and eliminate carbon dioxide in the patient 's blood circulation</b>	<b>Need approval</b>	

43	<b>Breathing Circuit for Ventilator and CPAP</b>	A device that connects the airway or the patient 's respiratory tract to a ventilator or CPAP to provide Oxygen	Need approval	
44	<b>Baby Incubator/ transport</b>	Incubator for babies	Need approval	

**PERSONAL PROTECTIVE EQUIPMENT (PPE)**

45	<b>Mask</b>	<b>Surgical Masks of textile Materials</b>	Does not need approval	500 pc / 10 box
46		<b>Other masks of textile materials, in addition to surgical Masks</b>	Does not need approval	500 pc / 10 box
47		<b>Gas masks</b>	Does not need approval	500 pc / 10 box
48	<b>Protective Clothing</b>	<b>Surgical Clothing (incl. disposable surgical gown)</b>	Does not need approval	20 pc
49		<b>Protective Clothing</b>	Does not need approval	20 pc
50		<b>Surgical Clothing (incl. disposable surgical gown)</b>	Does not need approval	20 pc
51	<b>Gloves</b>	<b>Surgical Gloves of rubber</b>	Does not need approval	500 pc / 10 box
52		<b>Medical Gloves of rubber</b>	Does not need approval	500 pc / 10 box

<b>53</b>	<b>Foot Protective Equipment</b>	<b>Foot Protectors</b>	<b>Need approval</b>	
<b>54</b>	<b>Face shield</b>	<b>Face Protector made of transparent plastic</b>	<b>Need approval</b>	
<b>55</b>	<b>Glasses Protective</b>	<b>Goggle</b>	<b>Need approval</b>	
<b>56</b>	<b>Headguard</b>	<b>Hair-Nets for surgery</b>	<b>Need approval</b>
